Costume Director's Note:

Hello, cast of Peter Pan! We are so excited to help you put on an amazing show! In order to do that, we need a little costume help from you. In this chart, you will find the name of your character, along with the items you need to provide for yourself. For some of the leads we have specific items already covered and you will find those things under the column that says, "what we will provide." The costume team and I tried to keep these costumes as simple as possible, therefore it can be very easy to find these items at thrift stores, or maybe even your closet. Here are some specific reminders:

Whole cast: please note that you do not have to buy things new!! We actually prefer you don't. A lot of the cast's costumes are going to be modified to look more authentic for example: Pirates shirts are going to have rips in them, Peter Pan's shirt is going to be decorated, fairy's ballet shoes are going to be spray painted, mermaids tank tops are going to be decorated, etc... please note that before buying.

Girls: you will notice that in some of your character descriptions we have included Nylons and under shorts. A lot of you will be wearing dresses/tutus so we ask that you please wear nylons of your skin tone and either white or nude under shorts with your costumes.

HELPFUL LINKS:

Fairies:

https://www.amazon.com/gp/product/B01LX5I1VL/ref=ox_sc_act_title_7?smid=A23IYBNPM8NKZJ&th=1

We have planned for each fairy to get their own specific color of tutu and leotard. Since the fairies are the featured dancers, leotards are the best route. We are looking for leotards online and will need your sizes and measurements before the camp. We are trying to find the cheapest ones possible, we are hoping to stay around \$20 or under. These leotards will be decorated with the characteristics of each fairy's personality. Once you have all sent in your sizes we will order them.

Iridessa: Yellow

Fawn: Orange

Silvermist: Light Blue

Lyria: White

Rosetta: Pink

Vidia: Purple

Mermaids:

(These are links to the leggings that will need to be bought, the first one is for the smaller mermaids, and the second link is for the older girls, please email me before July 1st which size you feel will fit best, we will place the order all together)

John:

(This is just an example of what we are looking for, it doesn't have to be this exact set because this is pretty pricey.)

Michael

(So, in the movie Michael wears a pink onesie, yet we decided to go with button up pajamas instead, but we still want to keep him in light pink. It was easier to find this in girls than in boys. Another idea is to find a white button up set and wash it with a bright red sock.)

Chief tiger bamboo:

(Here is a link to an idea of the kind of pants we are looking for, try to make the brown shirt match the pants as best as possible, we will be adding some things to the outfit during the camp.)
