TOM/TAMMY

You want the TV? Take the TV. The TV's yours. Just leave me alone.

GEORGE

Relax, Tom/Tammy. We're just different parts of you. We are all the ideas in your head.

DINA

And not just us, Tom/Tammy. Do you realize how many ideas you have in your head? Just look around you.

ALL (EXCEPT TOM/TAMMY)

(to audience, ad-lib greetings)

Hi. Hello. *(etc.)*

(TOM/TAMMY looks around and sees the audience for the first time.)

TOM/TAMMY

I don't understand this!

SHULIE

Don't you see, Tom? We're every person you've ever met.

(SHULIE removes Tom's/Tammy's robe, revealing Tom's/Tammy's work clothes.)

JOE

We're every place you've ever been.

DORI

We're every thing you've ever known!

SHULIE

Feel better?

TOM/TAMMY

No.

JOE

You look great!
